# WHAT IS IT?

“A Spectacular Black Girl Art Show” is not merely an art exhibition; it’s a cultural movement, a profound celebration of the extraordinary talents and contributions of Black women artists. Launched in 2019 by visionary curator Joshua Love, this traveling art exhibition has ignited a vibrant artistic journey across over 25 U.S. cities, leaving an indelible impression on the hearts of more than 70,000 attendees. Featuring the works of over 5,000 artists, this show is a testament to the power of art to unite, inspire, and create a sense of family within the diverse world of creativity.
